

Local Women Of Leadership Past and Present

TRACIE MCLEE
STRAWBERRY PLACE
72 S Broadway Nyack

Facebook/Instagram
Strawberry Place

With more than 20 years of fundraising, public relations and marketing experience in healthcare, higher education and social service, nonprofit sectors, Tracie McLee raised millions and created strong, long-lasting relationships to benefit charities under her visionary leadership. Throughout her career, she is most proud of the difference one can make by simply telling their story which can inspire others to do more philanthropic work. Currently, Tracie is the Executive Director of the Montefiore Nyack Hospital Foundation where she recently started in October. Prior Tracie held leadership positions at Center for Safety & Change and at Bon Secours Charity Health System. As if fundraising is not enough as a professional career, she volunteers for local organizations to help them realize the power of philanthropy as well. She is a current board member at Center for Safety & Change and The Nyack Center where she is most known for her volunteer work in revamping their Annual Legacy Gala which increased revenue from \$10,000 annually to a six-figure event in one year. Tracie has received other local community awards honoring her work in philanthropy including REDC 40 under 40, Bon Secours Charity Health System Dedicated Employee Award, Nyack Center Legacy Gala Award, Nyack NAACP Community Service Award and most recently recognized for her philanthropic work by the Town of Orangetown. A native of South Nyack and a proud graduate of the Nyack Public School District, you may remember Tracie as the singing and entertaining waitress at The Strawberry Place where she worked for more than 20 years. Now, you can see her shopping, dining and supporting local businesses in our beloved village with her 9 year old daughter Honore
